THE HAUNTED MANSION

LIGHTING TO TRANSPORT THE LA RIVER GARDENS TO A HAUNTING BALL

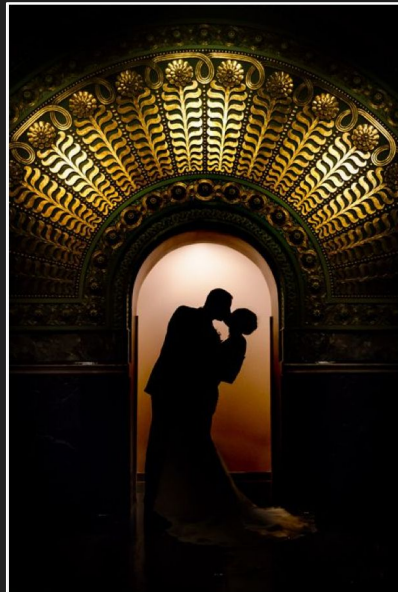

DESIGNER: MATT DURAN

THE HAUNTED MANSION

A VISION OF BEAUTY

When thinking of the beauty of Los Angeles, one must remember the beauty of Hollywood. The glamour and sparkle of the city weave into the culture and lives of the city.

Drawing inspiration from Victorian Balls in the 1840s–1860s as well as Disney's film *The Haunted Mansion*. The Haunted Mansion enhances the beauty of the space through its romantic lighting and lush plants.

The Haunted Mansion is an experience like no other to be part of a night of glamour and beauty.

GUEST EXPERIENCE

While enjoying the LA River Gardens, guests will feel the presence of a beautiful yet haunting experience like no other. With rich golden candle light and electric cyans illuminating the space. A night of glamour, elegance, and beauty under the stars.

INSPIRATION

INSPIRATION

Warm golden glow of chandeliers

Striking cyan orbs from Disney's *The Haunted Mansion*.

Beautiful fog in the air as the night falls quiet and the spirits come to dance.

INSPIRATION

A night of wonderful riches
and dances during this time.

As ballroom was reached its
peak during the victorian era.

Beauty found in the dresses
and candle lit spaces of these
balls.

INSPIRATION

Period luminaries help to define the space and bring us back in time.

Candle shaped bulbs to emulate flames of a candle shining through the fog of this haunted mansion.
